

IMPORTANT ANNOUNCEMENT

I HEAR PEOPLE TALKING ABOUT TRANSITIONING THEIR QUALIFICATION, WHAT DOES THIS MEAN?

The commonly known Aged Care qualifications have been changed and superseded by the regulatory body which means that we have to update our RTO scope to be industry current in providing you (the student) with the newest industry qualifications. Our RTO regulator (ASQA) provided us with a deadline of 5th of August 2016 to which all students studying in a superseded qualification must be complete/withdrawn or transitioned.

HOW DO I KNOW IF I NEED TO TRANSITION TO THE NEW QUALIFICATION?

If you are an active student enrolled into a superseded qualification you would have received several forms of communication from us which including this email explaining in detail what is required and a text message to alert you to the email that has been sent so please ensure that you have kept us in the loop with any changes to your personal details.

HOW DOES THIS AFFECT ME?

If you are an active student enrolled into a superseded qualification you will need to consider the available options listed below and advise InterCare Training of your decision **as soon as possible**.

WHAT ARE THE AVAILABLE OPTIONS?

- Option 1:** Complete your active superseded qualification
- Option 2:** Transition from the old qualification to the new qualification
- Option 3:** Withdraw from your active superseded qualification

WHEN DOES THIS CHANGE START?

The change has already started! At InterCare we have created a Transition Action Plan and have announced that all superseded qualifications **must** have an outcome (complete: including your work placement, withdrawn or transitioned) by the 30th of June 2016.

IS THERE ANYTHING I NEED TO DO?

Yes, We need to know your choice! InterCare Training is looking to support all students currently enrolled in active superseded qualifications to ensure the best and most appropriate outcomes are achieved. However as this change needs to be made; we can only do this if you respond to the communication. Failure to do so will result in an automatic withdrawal.

WHAT IF I'M CURRENTLY ENROLLED IN A CLASS?

Your scheduled program will complete as per your current class arrangement. The New current qualification does not mean that your active superseded qualification is devalued or that disadvantages you, Industry recognises both current and superseded as equally valued qualifications.

WHAT HAPPENS IF I JUST NEED TO COMPLETE PLACEMENT?

As a part of our Transition Action Plan we can help you! If you respond within 10 days of publish date we will get in contact with you and discuss placement options that suit your needs.

WHO DO I CONTACT TO DISCUSS THIS FURTHER?

If you would like to discuss your options in more detail or let us know of your decision **please reply to our dedicated email address** and we will contact you as a priority.

WE CAN ONLY ACCEPT YOUR DECISION IN WRITING SO PLEASE EMAIL THE DEDICATED ADDRESS
